We will be running a Markers Awareness Course at

Bristol Indoor Bowls Club

South Liberty Lane, Bristol BS3 2TY

on Saturday 6th October 2018

The course is open to all club members and you will receive an Attendance Certificate, which will be the first step whether you want to be a Marker in your own Club progress to become a County or National Marker or a Regional Umpire.

The course will be completed in one day, and MUST start at 09.15am

Tea and Coffee will be available throughout the day and a lunchtime meal can be selected and ordered on the morning at your own expense.

The program includes a light hearted fun "Quiz" & explanations on all aspects of the Laws as they relate to marking and practical work including measuring, positioning, communication, etc.

Cost of the course is £10 and if you wish to go on to become a member of the EBUA then membership forms will be available at the course or from the EBUA Website.

If you are interested please contact me with your name, email/ telephone contact details or you can collate others from your Club, who also wish to attend

It is the hope of the Association to have at least two qualified markers in every Club.

Places will be limited as the next local course will not until later this year.

Thank you
