The course is open to all club members, even if you only want to be a Club Marker at your own club. This is also the first step if you wish to become an Umpire.

The course will be run over two half days and is designed to be fun, starting with a few quizzes leading to discussion and explanation on aspects of the laws pertaining to Marking. There will also be practical exercises including measuring, positioning, communication and time management. Each session should last about 3½ hours.

A certificate of Attendance will be issued at the end of the course on successful completion of the measuring exercises.

Cost of the course £10 and if, following the course, you wish to go on to become a member of the EBUA then membership forms will be available on the day or from the EBUA website.

If you are interested please contact me with your name, as you would like to see it on the Certificate, a means of contact and your Club.
